Palmetto Award Program Honors the Achievement

PALMETTO May 6, 2014 -- Master Carpentry of Manatee has been selected for the 2014 Best of Palmetto Award in the Cabinet Maker category by the Palmetto Award Program.

Each year, the Palmetto Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Palmetto area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Palmetto Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Palmetto Award Program and data provided by third parties.
